TERMS

Time of Shipment (Winter)—Orders “for immediate shipment” are filled as fast as possible after the first of January in rotation as booked. Large assortments can never be completed in first shipment. Our Concrete Cellars enable us to hold stock in good condition through the season, but we cannot promise to hold any later than March 15th; however we prefer to ship all out in January and February. (Orders for eastern states can be held in St. Louis storage until April 1st).

To the Trade Only—Prices shown are for first-class stock of the grade named, and are subject to change without notice. No charge for packing.

The use of printed stationery as protection is desirable. If it is not used, the purchaser should state clearly his position. We print only wholesale trade lists, and do not desire or solicit retail orders.

Terms—Our terms are cash, or satisfactory references before shipment. To established nurserymen and florists known to us, or to those who have necessary rating, credit will be granted as follows: 60 days net f. o. b. Hemet, California; or 3 per cent discount for cash (with order or before shipment); 2 per cent in 10 days; 1 per cent in 30 days.

Substitution—We do not substitute unless instructed to do so, and then label true name. Customers will save time by naming a second choice, to be supplied only when first choice is sold out.

Pro Rata—As it is almost impossible to count Roses in the field when partly grown, there is a feature of uncertainty about all orders booked before digging. Consequently we reserve the right to fill such pro rata.

Genuineness—We exercise great care to keep all varieties true to name and will replace, on proper proof, all stock that may prove otherwise, but it is mutually agreed that we shall not be liable for any amount greater than the original price of the stock. All quotations made subject to stock being unsold when order is received, or loss by any and all unavoidable causes. Freight shipments travel at risk of purchaser.

Express—New rates from Hemet to Salt Lake, \$4.40; Denver, \$6.30; Kansas City, \$7.80; Des Moines, \$8.40; St. Louis, \$9.05; Chicago, \$9.45; St. Paul, \$9.45; Cincinnati, \$10.15; Washington, \$11.65; Philadelphia, \$12.00; New York, \$12.15; Boston, \$12.65. Our No. 1 roses weigh, packed, about 360 pounds per 1000 plants. In large lots these rates can be applied, but bales weighing less than 100 pounds cost more.
